

**I took a chance** on a **random email**, attended your **conference** and we **haven't looked back since!**

*- Houghton Primary, Cambridge*

**From bottom 1% to top 1% in the country within 18 months!** - *St Peter's Primary, Ashton*

**100% is unheard of here but we did it. A huge thank you!** - *Docking Primary, Kings Lynn*

**A brilliant system. I only wish we'd discovered it years ago!** - *Oakdale Primary, Peterborough*

**Who are we?** Assertive Mentoring is a **fully-resourced** and **revolutionary** whole-school approach to teaching and learning. It ensures **consistent** practice, **accurate** assessment, **focussed** teaching and **relevant** interventions. Schools across the country are finding that this results in **pupil empowerment**, accelerated learning and dramatically **higher standards** with amazing speed.

The resources are **fully compatible with the new core curriculum**. So whatever your issue – spelling, grammar, maths, science – we've already done the hard work for you... and much, much more!
